

For years Lynn Royce Taylor has been recognized as an outstanding singer in both Gospel and Popular music. However, his real passion is that of an **EVANGELIST**, with a calling and anointing of God to minister the Word. When you spend time with Royce, you will realize he has more than mere head knowledge of his faith. You will quickly see that sharing the Word is the cornerstone of all he does. It is woven into the very fabric of his being.

ROYCE IS AN EVANGELIST WHO SINGS

As a Pastor or Church Leader, you are faced with a limited amount of time you can afford for outside ministries. There are many who contact you seeking a chance to share their message, mission, and concern with your church. The decision of who is chosen and who will be rejected can be difficult. If you are going to offer time, you want to know that it is time well spent for your people.

HERE'S WHAT TO EXPECT FROM A ROYCE TAYLOR MINISTRY EXPERIENCE.

At first glance, it may appear to be like any other Gospel Music concert. He will open the program with a few songs, set the audience at ease with a few comments, and share a few personal stories. What begins to set Royce apart is a seamless focus on the Gospel Message, the message about life and not a mindless array of songs to fill time, or an infomercial for a merchandise table.

"I'VE SPENT MANY YEARS IN CHRISTIAN MUSIC AND MINISTRY SHARING THE PLATFORM WITH THE FINEST SINGERS, MUSICIANS, PERFORMERS, AND FRIENDS. I'VE BEEN BLESSED TO SING FROM SEA TO SHINING SEA, ACROSS THE SEA, AND ON LAND AND SEA. I'VE SUNG TO THE 1000'S AND THE 10'S ALL IN THE SAME WEEK.

BUT THE BASIC PURPOSE ...

I SING BECAUSE GOD TOLD ME TO, I PREACH BECAUSE HE CALLED ME TO."

The Word of God will never fail you in anything you face in life. It will not only sustain you in the tough times, but it will shield you in future times. It is relative to any time, with answers for all time. God is the same yesterday, today and forever.
