ROYCE

*To Entertain
and Inspire*

From Paris France to Paris Texas, Manchester England to Manchester Tennessee, Vienna Austria to Vienna Ohio, Royce Taylor is enjoying an Extraordinary / Ordinary Life. He tours the United States and Europe, as a solo performer or tenor for multiple vocal groups. For many years he held 3 regular vocal positions with Elvis' Imperials, the top charting hit makers, The Vogues, and a popular southern gospel quartet, GloryWay.

Royce has found the balance between singing popular Rock'n Roll and continuing his Christian Music ministry. This is affirmed when a Pastor says, "Five O'clock World" was a favorite song or when someone from an oldies show tells him that his Gospel Music has touched their life.

Royce regularly performs with stars like, Frankie Avalon, The Righteous Brothers, the Beach Boys, Gary Puckett, and other classic rock 'n roll heroes. You may see him with Gospel Music legends at a Bill Gaither event, or perhaps a show in London singing the songs of Elvis Presley.

But you will also find him singing at a church, sharing the Gospel Music that pilots his life. In all of these situations, he is comfortable and accessible to all.
