The Gospel Music and Elvis Presley Show

Elvis fans around the world often ask:
“How did Elvis Presley influence your music?”
Even though I did not work directly with Elvis, some of my
very first songs were taken from Elvis’ gospel recordings.
Armed with my guitar, songs like, “By and By, His Hand in
Mine, and If the Lord Wasn’t Walking by my Side,” dotted
my early set list. Now, it is my pleasure to share these
seminal songs in my own tribute to the Gospel Music of Elvis.

Drawing on these Gospel Quartet roots, I perform with
respect to Elvis, and share insight into the good news
message that makes this music truly relevant to all ages.
The fact that Elvis loved Gospel Music also creates a unique
respect around the world. People who may not ordinarily
gravitate to a “Christian Message” will embrace the songs of
Elvis and embrace the powerful messages contained in these
songs. This allows me to fulfill the mandate to both

“ENTERTAIN AND INSPIRE.”
